Several chapters have inquired about transportation options in conjunction with the Western Region Leadership Conference. Each chapter is responsible for coordinating their own transportation to/from the conference. Please note that the Anaheim Marriott does not provide a hotel Shuttle to/from the airport. Group Travel Planners, Inc. is an experienced third party transportation provider that has worked with DECA chapters for the past 25 years. They offer airport transfers, buses for local transportation, and airline ticketing. Below is information they provided regarding special travel packages for WRLC attendees. Please reach out to them directly if they can be of service to you as you make preparations for your trip to Anaheim.

Airport Transfers

Group Travel Planners, Inc. is offering round trip airport transfers from SNA, LAX and LGB to the Anaheim Marriott. Their use of full size motor coaches allows them to assure you and your students will all ride together on the same vehicle. Shuttle vans operated by other companies are limited to a maximum of 9-10 passengers and will require your group to split up. Their transfers are to and from the conference hotel and are exclusively for DECA. Their staff will meet your arriving flight in the baggage claim area of your designated airline, and your group will be escorted to your transportation. Also, Group Travel Planner, Inc. staff will be on site at the Marriott to coordinate your departure. Pricing as follows:

Round trip airport/hotel/airport transfers-SNA (Orange County)	\$24.00 per person
-LAX (Los Angeles)	\$34.00 per person
